Contest Rules & Guidelines page 2

While following the Poster Contest Rules and Guidelines, each entrant's poster must: **(1) adhere to the contest theme: Student Film Festival;** **(2) reflect their creative interpretation of what would attract film students to submit a film entry;** **(3) compel the general public to attend screenings of the Student Film Festival.**

Each submission **MUST** include entrant's thorough explanation/rational **(30-50 words and, yes, we count them!)** of their artwork on the Poster Contest Entry Form. This demonstrates to the judges how the entrant reflected on their subject. The judges will take your rational into consideration in the need for a tie-breaker.

The designer of the winning poster will win a \$500 education scholarship.

The designer of the winning poster gives up all rights, ownership rights and/or copyrights of their entry; and winning poster artwork becomes the property of the Grand Foundation and the Grand Foundation Student Film Festival Committee, giving them all rights to use, reproduce, adapt to other uses, alter, publish and or display, the winning poster design artwork. The winning poster designer retains all bragging rights. Due to potential and unforeseeable future circumstances, The Grand Foundation and the Student Film Festival Committee offer no warranted assurances or guarantee that the Student Film Festival will occur, or, that the winning poster design will be utilized in its promotion.
